

Estimator | Sacramento, CA | \$125-175k + Bonus Opportunity

Primarily In Office, may require local travel to job sites on occasion, no overnight.

Interested in an exciting opportunity to advance your civil construction estimating skills with a stable and growing company in Sacramento? Look no further – we are actively interviewing passionate Estimators for our fast-paced client to add to their growing team of professionals!

This is not your average job – you'll have the opportunity to mentor others and work alongside a dedicated team of professionals who are passionate about their craft. As an Estimator, you will be responsible for performing accurate estimates, coordinating bid reviews, maintaining client relationships, and mentoring others in the civil construction industry.

Our client believes that hard work, embracing change, and empowering employees are essential to success! It's part of why they've gotten the job done effectively and efficiently for decades! If you're ready to join this amazing & collaborative team, [apply now here](#) or give Eddie a call at (888) 303-5627 for more information!

Key Responsibilities:

- Perform estimates for civil construction projects, focusing on rough grading, finish grading, and wet and dry utilities in the greater Sacramento area.
- Utilize HCSS HeavyBid software to perform estimates for an average of 3-5 proposals per month.
- Collaborate with vendors and subcontractors to gather material and sub-quotes.
- Lead bid reviews to guarantee accurate and competitive bids.
- Work closely with the Business Development Manager for post-bid follow-up on private sector projects.
- Develop and maintain strong relationships with private sector clients, fostering lasting partnerships.
- Share your expertise and mentor others in the estimating field, contributing to a strong team dynamic.

Key Qualifications:

- Prior experience estimating or project managing public and private civil construction projects.
- Understanding of job cost forecasting and CPM scheduling methodology
- Clean driving record and ability to travel to job sites throughout the Sac area
- Experience with HCSS HeavyBid, AgTek, BlueBeam, Viewpoint Vista, and/or PlanSwift softwares a plus

Benefits & Perks:

- Medical, Dental & Vision plan
- Paid vacation and holidays
- 401k with company match
- Minimal travel, work hard/play hard atmosphere, and state-of-art tech!
