

## **Sr General Ledger Accountant | \$80-95k**

**On-Site, Full Time, Direct Hire**

We are seeking a highly skilled General Ledger Accountant to join a thriving team in the construction industry in the tri-city area! As a General Ledger Accountant, you will drive the accounting operation through setting processes, handling month-end closings and the Fixed Asset system, and more. Your strong problem-solving, financial analysis, and organizational skills will be crucial as you lead the accounting team to success. If you are looking to grow into a senior role at a company with a 45-year reputation for excellence, we want to hear from you! [Apply now here](#) or call Aileen Lansang at (888) 303-5627 for more information.

### **Key Responsibilities:**

- Develop and maintain accounting policies, procedures, and internal controls.
- Support month-end procedures, including the preparation of monthly journal entries, account reconciliations, analysis of results, and financial statements.
- Oversee the Fixed Asset System, handling acquisitions, disposals, and depreciation entries.
- Compile and submit monthly/quarterly Sales & Use Tax returns and other relevant business tax filings.
- Provide support on annual reviews of financial statements and the preparation of tax returns.

### **Key Qualifications:**

- 4+ years of full-cycle accounting experience, including general ledger experience
- Accounting experience in the construction industry a plus
- Bachelor's degree in accounting, finance, or related field.
- Strong knowledge of U.S. GAAP.
- Strong sense of ownership, ability to prioritize, and attention to detail
