

Welder/Fabricator

Pay: \$25.00/hour or based on Experience.

Job description:

We are looking for a skilled Welder to cut and join metals and other materials at our facilities or construction sites. You will operate appropriate equipment to put together mechanical structures or parts with a great deal of precision. Your job is important as it provides the foundation for strong infrastructure.

A welder must be competent in using potentially dangerous equipment following all safety precautions. The ideal candidate will also have a steady hand and great attention to detail.

Knowledge of different kinds of metal and their properties is essential.

Job Requirements:

- High School Diploma/GED equivalent required.
- Knowledge of and ability to operate a forklift and meet medium level physical exertion requirements, including lifting to 75 pounds frequently.
- Basic math and reading skills to perform job tasks and complete necessary paperwork.
- Ability to follow oral and/or written instruction.
- Ability to be extremely organized and take direction well and give out instructions
- You must also work well as part of a team and be willing to work long hours when necessary.
- It is also important that you display a positive, helpful demeanor, and a commitment to providing the best in customer service.
- Proven experience as welder
- Experience using a variety of welding equipment and procedures.
- Experience in using electrical or manual tools (saws, squares, calipers etc.)
- Ability to read and interpret technical documents and drawings
- Knowledge of relative safety standards and willingness to use protective clothing (face-shield, gloves etc.)
- Deftness and attention to detail
- Proficient in English
- Successful completion of a relevant apprenticeship program is required
- Professional Certification (e.g. an AWS welding certificate) will be a plus

Self Service Essential Job Duties:

- Could operate a forklift or loader to assist to move parts to the yard
- Maintain Organization in the yard
- Walk the yard and place everything in its place
- Maintain a safe and clean work environment
- Ensure all EPA and OSHA regulations are being met
- Wear all required PPE
- Complies with established company policies and procedures.
- Initiates and supports the continual improvement of Stockton Fence's quality improvement system.
- Assumes other duties as assigned.

While performing the duties of this job, the employee is regularly exposed to moving mechanical parts, as well as an office environment. The employee is occasionally exposed to extreme cold and extreme heat. The noise level in the work environment is moderately loud. Should not have any lifting restrictions and must not be afraid of heights. Should be able to tolerate high and low temperature levels and occasional inclement driving conditions.

Job Type: Full-time

Benefits:

- 401k Profit Sharing
- Dental insurance
- Health insurance
- Vacation

Schedule:

- Monday through Friday 7 AM until 4 PM.
- Overtime

Shift:

- 8 hour shift
- Day shift

Experience:

- Welding: 1 year (Required)

Work Location: Stockton, CA
